

Cemetery Minutes 9/10/15

The meeting was called to order by Vice chairman, Carol Davis.

Present were Carol Davis, Sally Harrison, Shirley Daughtry, Ilene Grady, and Bruce McNair

The committer welcomed the city council representative Bruce McNair.

After much discussion on the following topics, the cemetery committee sends the following recommendations to the city council.

We recommend that the urn garden be established and put in.

We recommend that the GIS for the cemetery be updated and the urn garden be plotted, and that Ben work with the caretaker to find corners, so the plots can be lined up correctly.

We recommend the the price changes be implemented.

We recommend that the city send the Vernonia Memorial/Pioneer Cemetery Price list and headstone requirements be sent to all grave marker makers in the area. We are asking if it is possible to add in the packet that is given to all people that purchase plots, the recommended grave marker makers that understand our standards

We recommend that the dead tree be removed by the arbor and the fence repaired, at some time.

We encourage people to come to our meetings that have concerns about the cemetery.

Meeting adjourned at 7:45.

Ilene Grady, Secretary
