

NOTICE OF PUBLIC MEETING
Stormwater Master Plan
City Hall, 1001 Bridge Street, Vernonia, OR 97064
May 7, 2009

This meeting is being noticed as a Special Meeting as the potential of a quorum of the Vernonia City Council may be in attendance at the Planning Commission Meeting
held May 7, 2009 at 7:00 pm

This meeting is to discuss the ongoing work to create a new Stormwater Master Plan for the City of Vernonia. The purpose of the Master Plan is to create a list of improvements needed to improve stormwater flow conditions. This project is cognizant of major flooding problems that have occurred in the City. The work currently in progress includes an inventory of existing conditions including problem identification; hydrologic and hydraulic analyses; and development of recommended capital improvements and design standards for future projects.
